DELETE / WITHDRAWAL FORM

Admissions and Enrollment Services

- The absences for the student below constitute unsatisfactory progress as defined by the syllabus for this course.
- I understand the appropriate grade (W, F, or U) will automatically be assigned based on the Academic Calendar deadlines. Once assigned, a grade of "W" cannot be removed from an academic record.
- If the student is marked as never having attended, the student will be deleted from the course, the course will be removed from the record, and a tuition refund will be granted. Tuition refunds are not automatically given for students who stop attending.
